

GVS SUMMER READING PROGRAM

Green Valley School is happy to be offering the SUMMER READING PROGRAM to students in grades 5 – 11.

1. There isn't any cost to participate and there aren't any reading logs to complete.
2. Students must complete and hand in the registration form below to the librarian to participate in the program.
3. **All students must have their parents/guardians signed consent to take part in the program.**
4. Students may pick up books from the GVS Library June 20-25. They do not need to be accompanied by a parent/guardian as long as their signed consent form is in. (Parents can pick out books as well if they want to).
5. At the time of book selection and pickup, students will be given a book bag to use and a list of the books they are taking home for the summer.
6. **SUMMER READING PROGRAM books can be returned when you come back to school in September.** All books must be returned before students are allowed to take out any library books in the 2024 – 2025 school year.
7. Any lost books or damaged books that need to be replaced or repaired will be charged to the student and will need to be paid before the student is allowed to take out library books for the 2024-2025 school year.
8. Please call me at the school at 204-434-6415 or email me at tfriesen@hsd.ca if you have any questions.
