

Green Valley School

JUNE 2025

Principal: Angela Burtnack-Schinkel

Vice-Principal: Dean Hardern

Where has the school year gone?????? It is hard to believe that we are entering the last month of school for the 2024-2025 school year. We have had an exciting year of teaching, learning, and growing.

This year our extra-curricular programs were in full force. We saw a GREAT collaboration with our GVS PAC and our musical team, we had parents come out in large numbers to volunteer for field trips and to take on coaching responsibilities for many of our athletic teams. We salute our community volunteers that came alongside our students and staff to contribute to the many programs that make GVS a great place for our students. Grace, kindness, flexibility, perseverance, and acceptance would best describe the climate and culture we have experienced here at GVS during the last year.

June will be an exciting month that will be filled with learning excursions to the Zoo, Roseau River, class celebrations, a talent show, summer concert and GVS's 2025 graduation ceremony at the E-Free Church in Steinbach are just some of the things we are planning for in the weeks ahead.

Finally, we would like to remind parents/caregivers and students to check their email for updates and information that will be sent from GVS throughout the month of June. Please take note that there will be NO REGULAR CLASSES FOR STUDENTS' GRADES 5-11 on June 25th, as this is our graduation day. The last day of classes for our grade 5-8 students will be on June 27th . This year we invite parents to join us for our Middle Years (grades 5-8) Awards Ceremony starting at 9:15 am in the GVS gym on the 26th .

Student Information

- If you have an exam conflict, please let your teacher know ASAP.
- Each exam slot is two hours; students are expected to remain in exam rooms for a minimum of 1 hour and 30 minutes.
- Once exams are completed, students are expected to be in the assigned study room or have arrangements made to return home.

From the Library!: Wow! It's June already! Did you know that almost 29,000 library books have been signed out from September to May? This breaks down to an average of about 3222 books per month or an average of over 160 books per school day being checked out. Way to go, Pirates!

The Summer Break is almost here. This also means that the yearly library inventory count has begun. Please check your backpacks, desks and lockers, your classrooms and homes for library and classroom items (library books, textbooks, ELA books, library loaner chromebooks and chargers) that need to be returned. Some overdue/lost items have already been charged to portal student fee accounts as they are outstanding items from Semester 1 or February to April. Please return them and the fines will gladly be reversed.

The end of year return due date for library books, textbooks and ELA books, library loaner chromebooks and chargers, is no later than Monday, June 23, for all students. Grade 9-12 students, please return items as soon as you are done with your classes and exams. All students - Please be aware that any items that are not returned, lost or returned damaged, will have a fine that will be added to your portal student fee account. Enjoy the rest of the school year and keep on reading throughout the summer! 😊

Math Olympics Results 2025

Math Olympics had to be postponed this year, but the thrill of competition and teamwork once again took place on May 13th. There was trepidation and excitement, as some students had not taken part in Math Olympics before. Some students who thought it was going to be difficult and boring, were pleasantly surprised that they enjoyed themselves.

The results from our Math Olympics are as follows:

Gr. 5 and 6s: Gold went to team 6, Silver went to team 1 and Bronze went to team 2.

Gr. 7 and 8s: Gold went to team 3, Silver went to team 5, and Bronze went to team 2.

The contest to see who could guess the amount of candy in this year's candy jar was a good one. There were some close ones. But the student who guessed the amount of candy closest to the correct amount was only 6 candies away from the amount. The correct amount of candy was 2373, and with a guess of 2379 candies, Jax Paley of 7MF was the closest and the winner of the jar of candies for this year's Numeracy Week candy jar.

HEALTH CARE AIDE Info Session IN STEINBACH

Assiniboine is bringing its Comprehensive Health Care Aide certificate program to your front door starting in September 2025!

Pair your passion for providing compassionate care with a great foundation of skills and hands-on learning. This six-month certificate includes two practicums, an industry-standard lab setting, and additional workshops and training seminars that complement the applied skills you'll learn from field professionals.

We encourage all interested applicants to join us for a one-hour information session.
