

GVS Food Drive!

September 22-28, 2026

Green Valley School would like to ask you to participate in this year's food drive to help raise food for the local food bank. The rising cost of food in the last year has increased the need for support from our local food bank for people in our area.

Students and staff will be stationed in the front foyer of GVS from 8:30-8:55 starting next week Tuesday, September 22nd. Students can drop off donations of non-perishable food items as they are entering the school. Each grade level will have a check in sheet and points will be allocated for their donation to their grade for the Food Drive Race.

Last day is Monday, September 28th. Thank you!!

Non-perishable food items... most needed items are:

Tomato soup, other canned soup, canned vegetables, canned fruit, canned tomatoes, pasta sauce, pasta, rice, pork & beans, ready to serve items such as chunky soup or Alphagetti/Zoodles, kraft dinner, boxed cereal, crackers, flour and sugar.

EXTRAS:

Shampoo & Conditioner, Laundry Detergent, Diapers, Feminine Hygiene products.

Money donations can be made: \$1 = 1 point

Cheques can be made out to *Grunthal Caring Hands Food Bank*
